Want Dangerous New Changes In Immigration Law

In 1965 the most sweeping changes in the immigration laws ever passed went into effect. The major provisions were to allow a tremendous jump in negro and Asiatic immigration and to cut down on White immigration. (As if our country was not already overloaded with these dangerous aliens.)

One part of the bill provided for UNLIMITED immigration from South America. That part of the world is experiencing the fastest birth rate the history of mankind has ever seen. Lyndon Johnson argued that we should help them alleviate their overcrowded conditions by allowing no limit to immigration from Latin America. Congress finally compromised and said they

could agree to the additional negro and Asiatic immigration if LBJ would agree to clamping a ceiling on immigration from South America on July 1, 1968. This date is now fast approaching.

Liberals have now announced that they would like to renege on this agreement. Sen. Edward Kennedy, Chairman of the Senate sub-committee on Immigration and the Jew Rep. Emanuel Celler, Chairman of the House Judiciary Committee, have requested that the July 1 cutoff of South American immigration be extended indefinitely. The cutoff does not stop all immigration from South America, it merely gives these nations a quota of

Attacks against White people by negroes have been traced to a new shocking motive. As the 'Hate-Whitey' Black Power movement grows so does vicious street assaults against White people. Recently police have been reporting a dangerous increase in street crime.

They have discovered that beatings, stabbings, muggings and even rape is now administered to innocent White people as a form of punishment. Police say that often robbery is not the reason for the attack. Negroes are quoted as cursing their victims as "filthy White devils", "Let this be a lesson to you White trash" etc., etc., and other more vile epithets.

One of the most shocking cases to date occurred on Dec. 6th in broad day light in Washington, D. C.

TWO AND A HALF HOUR RAPE

Washington police say the Nov. 15 attack was one of the most brutal gang rapes ever encountered here. The victim was a 21 year old newlywed. She had arrived home from work and was parking her car next to a church, around the corner from where she lived. She then said that three negro youths came along and banged on the windows of her car saying: "Come on out, we wanna have some fun." She told the detectives she was frightened and locked the car's doors. The youths then left, walking up the ally behind the Incarnation church. She then got out of the car and started to walk to her apartment a half block away.

Suddenly the two negroes ran out from behind the church, at 1813 Monroe St. they dragged her to a stairway and down into the basement of the church. Rev. William A. Wendt (a White Liberal) had been allowing the basement of the church to be used as a recreation place for a negro group called "The Powerhouse Gang." Everyone in the neighborhood was afraid of them.

Down in the dark cellar the stunned girl could see nothing except the lit cigarettes of the

youths standing around her. On the wall of the Church basement she saw a sign which read, "Kill or be Killed." One youth then stuffed a cloth over her mouth and removed her watch and wedding rings. Another negro blindfolded her and four of them held down on a mattress on the floor. Then they methodically took turns raping her, from their voices she could tell some raped her more than once. Sometimes they would then force her to her knees, remove the gag and make her perform perverted acts upon each other. At the same time they would curse her and the White race. "We're teaching you what Black Power really is you filthy White whore," Their bitter hatred for the White race showed forth with cries of "White devils will learn that Black Power is running this country." The sobbing girl told police that she was forced to have intercourse 30 or more times with 15 to 20 negro youths.

When they finished with her two and a half hours later they helped her up the stairs out of the church basement, still blindfolded. She thought she was finally free, but they took her down into another basement across the ally where four of their negro friends were waiting. Once again she went through the ordeal of forced submission and the vile and filthy anti-White cursing.

Finally, she was released and limped out of the basement. They called out to her, "Don't report this or we will come and get you again." At home her husband had already reported her disappearance to the police. In a state of shock himself, he rushed his bride to D. C. General Hospital. There she was treated with anti-V.D. shots and her cuts and bruises bandaged.

The next day three youths were arrested, after being identified from pictures. These were the ones who dragged her down to the basement. One of them was only 16 years old, another Earl E. Ball, Jr. was 20 and his half-brother Melvin A. Harpe, 22, both of 3339 17th St., N.W.,

Washington, D.C. Other suspects were being sought. Police also ordered the church to close its basement as a meeting place for negro gangs.

"CHICAGO TRIBUNE" COMMENTS

Walter Trohan writing in the "Chicago Tribune" commented that this vicious gang rape was purely a result of a extreme hatred for the White race. He said the negro youths expressed the view that this was their way of 'punishing' this young White girl for being White. Trohan said that more and more attack and rape cases have as a motive, the idea of "getting even with the White Race."

As this terror in the streets grows, White people must unite to protect their wives and daughters. It is the duty of all White men to protect all White women from attack. That was the feeling of our forefathers during the Black Power Reconstruction era. In those days, everytime a negro attacked a White woman there was swift retaliation and the guilty parties were quickly hanged. Today Marxist liberal judges hand down light sentences or even place on probation vicious negro thugs who will soon attack White people in the street again. The time has come for the average citizen to take up arms and protect himself, and our White women. This is exactly what is being done in the major cities.

OTHER SIMILAR CASES

Commenting on the above attack, Washington police said that in another recent case a group of girls were running away from pursuing negro youths. A negro man came to the front porch of his home and called for the White girls to run in for protection. The girls took him up on the offer.

To their surprise, the older negro who volunteered the help, then let the pursuers in and joined them in gang raping the girls. Police said that any number of White women have been raped in Washington when their

cars stalled. Negro men would volunteer to help, climb in the car, haul the women over into the back seat and rape them.

Such cases of brutal and methodical gang rape are unknown among the White Race. This is the savage African Jungle imported right into our cities. It is absolutely unsafe for a White woman in distress to ever trust a negro for a helping hand. It is our duty as Whitemen to protect our White women from this grave danger, which is soaring in the large cities and even in the rural areas.

ATLANTA, GEORGIA CASE
In Atlanta, Ga., on Dec. 1st a 29 year old mother of three was gang raped 50 times by a group of young negroes. She is Mrs. Lee Pierce. She was dragged from her car into a negroes car and taken to an abandoned house.

Later eight negroes were arrested. One of them, accused with being the leader, Alfred D. Lackey was sentenced to death in the electric chair. Lawyers from the NAACP announced they would appeal. Jack Greenberg, head of the NAACP's legal defense fund has charged that too many negroes are given the death penalty in the South for rape and has asked the federal courts to abolish this as "cruel and unusual punishment." The trouble in the North is that Marxist liberal judges have been too lenient with negro rapists. This is the reason the problem is so much greater in the North.

ST. LOUIS CASE
The St. Louis Globe and Dispatch reported on Oct. 8 that a 17 year old White girl was dragged into a home where both parents worked, and raped about 20 times by 15 negro youths. They were all only 16 or 17 years old. First there were only four of them. When they finished, three held her and the other went out to round up all his friends. In all 11 more youths came and went from the house raping the poor distraught teen-age White girl.

The St. Louis newspapers deliberately censored the race of the girl and her attackers so that Whites would not be on guard in the future. NSRP members learned the details and reported it to The Thunderbolt.

These vicious attacks upon White womanhood are so numerous that they occur daily in some large U. S. cities. The press is playing down the great danger. It is time for citizens to take matters into their own hands and protect our White women. The Marxist liberals want you to be disarmed and helpless before this Black onslaught. The time has come for a real citizens get tough policy with the backward savage negro. The police chief of Miami cut negro street crime by 75 per cent with the use of police with drawn arms and sawed off shotguns plus using dogs. If the police chief in your city will not crackdown, then citizens should organize private patrols of their own neighborhoods and make citizens arrests of those committing a felony in their presence. The White race has a sacred duty to protect its womanhood. For the defense of the White race, support your local NSRP Chapters. If there is

Negro Athletes Take Advantage Of White Women

Throughout the nation there are hundreds of thousands of White girls who have never had the first day's education on the tremendous differences between the White and black races. Their

was now a 'success.' The same is true with Sammy Davis, Jr., Lou Rawls, and the many others who feel they have passed the color line and are forcing themselves into White society by tak-

teachers have never informed them that the negro is the most inferior race in the world and scientifically rated 20,000 years behind the Whiteman in civilized development.

At the same time many fuzzy-minded teachers and other nutty brotherhood radicals have told them that the negro is just a Whiteman whose ancestors have been out in the sun too long. They forget about the negro's 14 ounce smaller brain, his 1/4 inch thicker skull, his animal sweat glands, his wool hair that has no central duct (like an animal's), his ape-like long arms, lack of a developed calf (like the ape) and other sub-human traits.

Due to lack of this scientific information, a growing number of women are being tricked into marrying negroes thinking they are equal with White people.

A recent case is that of negro baseball player, Tony Oliva of the Minnesota Twins. The press has touted him as a great 'sports star.' This buildup has had young White girls chasing after his 'valuable' autograph. Then one day he asked one of these girls, (Miss Gordette DuBois) to ride around town with him. They began dating and last month were married with many papers carrying the news of the 'lucky catch' this girl made.

On this page we see the 26 year old negro baseball 'star' exchanging wedding cake with his new young bride. Her hometown is Hitchcock, South Dakota. There are almost no negroes living in this area and once again a White girl takes her seed back 20,000 years. Another White family line is mongrelized for all time to come.

LIBERAL PRESS BUILDS UP THE MIXED COUPLE

All negroes will admit that one of their main status symbols of success is to be able to have a White woman under arm. Time Magazine wrote about Wilt Chamberlain (basketball star) having a "live-in-White Swedish maid, age 23 in his five room New York Apartment." There was no criticism here, only a message to other negroes that Chamberlain

ing one of our women. This is the insidious attack being waged against White Foundations of civilization by communist racemixers and their fellow-traveling liberals. It is still not too late to reverse this trend and that is the goal of the National States Rights Party.

Want Dangerous New Changes In Immigration Law

75,000 per year. Why should population - exploding South America be allowed to flood the United States with its millions of non-White, mostly mongrelized people?

The reason is clear to students of the minority political machine. Lyndon Johnson, Katzenbach, Goldberg and the rest of that fanatical anti-White gang want to bring in so many non-White immigrants that their rule over America will be assured for all time to come.

HOLD BACK THE FLOODGATES

At present untold hundreds of thousands of South Americans are coming to America, 50,000 a year or more from Mexico alone. The new law going into effect will cut this down to a total of about 75,000 from all of South America (which is still too many).

Sen. Edward Kennedy states: "We need to perfect the reforms initiated in the Immigration act of 1965. These inequities must be removed."

We of the NSRP says that Kennedy's proposed changes place "inequities" upon the White working class Christian majority in America. We are the ones who must be taxed to death to support these non-Whites who move here to go on welfare. Let's one and all write our Congressman and Senator to oppose any move to lift the July 1st cutoff date for unlimited South American immigration. LBJ says that he fears that this might hurt the feelings of our South American neighbors. He should begin worrying about the feelings of we poor Americans who must work day and night to pay the taxes to feed them after they get here. Many White countries in Europe have had their immigration quo-

DEMANDS RACE MIXING

President Stanley Marcus of the 4 Neiman-Marcus Jew department stores in Dallas, has demanded that their 2,000 suppliers hire negroes in order to obtain orders from his company. He said they would check the suppliers and only do business with those who hire and promote negroes. He failed to admit that he only has Jews in the top positions in his stores, Lady Bird, Lucy Bird and Linda Bird are often reported as shopping in the 'prestigious' Neiman-Marcus stores.

NEGRO BLASTS LINCOLN

The current issue of Ebony magazine contains an interesting article by its senior editor, Lerone Bennett, Jr. He charges that Abraham Lincoln was a White Supremacist who, "believed that Black people and White people would be much better off separated by the Atlantic Ocean."

The truth is that Lincoln did plan to ship all negroes back to Africa after the Civil War and said: "If there must be a position of superior and inferior, I as much as any other man would assign the superior to the White race." He also said there was no chance of the two races living in peace in America.

DESTRUCTION OF BRAZIL

A negro woman in Brazil has been named "Mother of the Year." She recently gave birth to her 32nd child at age 45. Her first was born when she was 14. Mrs. Maria Caruaba said: "Ours is a marriage with a lot of love." She lives in a shack and claims 30 grandchildren. The White race has been all but wiped out through mongrelization in Brazil. The skyrocketing birth rate of negroes and mongrels has sealed the doom of this nation - which has the richest un-tapped natural resources in the world.

ROCKEFELLER URGES MORE MONEY FOR ISRAEL

Gov. Nelson Rockefeller recently addressed 800 Jewish leaders in New York City at a dinner of United Jewish Appeal (U.J.A.) He said the U. S. Government should greatly raise foreign aid to Israel, "for housing, relief, rehabilitation, medical services, child care and education."

The U.J.A. leaders said they alone would allocate \$7 million this year for Israel.

NEGROES MOVED INTO CHICAGO SUBURBS

The Chicago Conference on Religion and Race (CCRR) announced that they had moved 87 negro families into previously all-White neighborhoods. They said they expect to triple this number in months to come. NSRP advocates the picketing of any negroes who move into White areas. Many will go back where they came from if they can be convinced they will never be accepted by Whites.

NEGRO-JEWISH MARRIAGE PROBLEM

The Jewish religion is opposed to a Jew marrying either a White Christian or a negro. Yet, the tremendous integration brainwashing campaign in New York City is having an effect upon young Jews. There is a growing number of Jewish girls giving birth to Black mongrels. Whenever a Jewess gives birth to a child, the Jew Talmud says that child is a Jew. Yet, the article on Page 8 says that in cases where the father is a negro, the adoption agencies have an almost impossible task in finding Jewish couples who will adopt them.

Once again we see the Jews failing to follow the same policies they urge upon us. The Jews have a drive on for White couples to begin adopting full blooded negroes and mulattoes. Yet they would not consider such an action themselves.

ATTENTION, LOUISIANA CATHOLICS

Several years ago, a negro priest was installed in an all-White Catholic Church in a Louisiana parish. The congregation was so insulted that they all walked out. They demanded that a White priest be assigned to the church. The local Archbishop closed the church instead. Later, he placed negro priests in other Louisiana churches and excommunicated several prominent Catholics including respected Judge Leander Perez, for opposing school mixing.

Now comes a relative report from the newly independent African country of Senegal. Negro President Sekou Toure has demanded that all White Catholic priests and Protestant ministers be out of the nation within five years. Archbishop Giovanni Benelli, apostolic delegate for West Africa said the Church would obey the decree and would remove all White priests before the deadline.

If this is alright in Africa, why can't we choose the race of our minister or priest here in America? We believe that the people should be allowed to choose the race of their priest or minister. The Thunderbolt has many Catholic subscribers including some priests. We hope this news item will enable them to secure fair treatment for Catholic people desiring White priests.

B'nai B'rith Seeks Take Over Of Christian Businesses

Demand Jews Be Hired In Executive Jobs By All Christian Businesses

LBJ's Equal Employment Opportunity Commission is holding hearings around the nation to determine how many businesses are discriminating against Jews and negroes in hiring. There is an organization financed by the secret Jewish businessmen's fraternity (B'nai B'rith) which spends all its time spying on White patriots. This is none other than the Anti-Defamation League. It

has now branched into a new phase of subversion. They are now studying certain Christian businesses with the plan in mind of forcing them to hire Jews in executive positions. Mind you, the ADL does not want Jews hired by Christian firms to start at the bottom of the ladder, they want them placed in executive positions NOW!

The ADL presented before the

President's Equal Employment Opportunity Commission a study of Christian businesses and 'blasted' them for not hiring Jews as executives. (The reason this is not done, is because once a Jew reaches the top in a Christian business, he then starts promoting all the 'little' Jews beneath him. Soon the Christian company finds that it has passed into Jew hands. An even faster

method of kosherizing a business is for Jew businessmen to gain control of enough stock in a profitable company to enable them to vote out the Christian management.)

Part of the statistics unveiled before the EEOC gives us some idea as to just which industries the Jew businessmen's secret fraternity "B'nai B'rith" seeks to take over.

The Jewish ADL charged before the EEOC that:

1) Only 1.2 percent of the executives in the 10 largest insurance companies are Jews.

2) In Detroit's auto industry, Jews constitute only 2/3 of 1

business.

How about the Jew-owned New York Times and New York Post (and many others). What is the percentage of Christians running these giant companies? How about the banks of Kun Loeb, Rothschild, Lehman & Co., and many others. No Christians are on their boards of directors. Yet the Jews have the unbelievable gall to demand that we allow them to worm their way into control of our companies. There has never been a more brazen, nervy and arrogant race of people on earth.

Dear Sir:

We hereby request the opportunity to testify before your commission. We want to produce evidence of Jewish discrimination against white Christians in the industries of television networks, movie studios, department store chains, certain banks, textile mills, certain newspapers and other Jewish controlled businesses.

White Christians are all but totally excluded from executive jobs in these firms. We ask permission to introduce proof of these charges so that this matter may become public knowledge and appropriate remedies instituted by Congress.

This discrimination is allowing vital segments of American business to fall into the hands of a clanish group seeking to monopolize the giant companies of America.

We are ready to fly to Washington to testify at the earliest possible date. Awaiting your early reply, I am

per cent of the White collar jobs.

3) Of the 14 largest shipping lines in the nation, the percentage of Jews as officers amounted to only 0.9 percent.

4) The ADL studied 38 large Christian firms in New York City and found that they only have 94 Jewish officers and 2,010 Christian officers. (No study was made of the thousands of New York Jew owned businesses which have no Christian in any executive position!)

5) Another check on 91 other large Christian corporations in New York found that Jews constituted only 8.9 per cent of the officers.

There was no attack made against the all-Jew dominated T.V. industry, Garment industry, movie industry, textile companies, department store chains, and many others which are almost 100 percent Jew dominated with Christians all but banned, except for window dressing -- and even these are being kicked out. When any Christian business allows Jews to become officers, they are on the way to a Jew takeover.

Yet the Jews are browbeating Christian companies into placing Jews on their boards. Christian businessmen on the whole are scared to death of being called "Anti-Semitic" by the Jews. They will do almost anything to placate the Jews, even to allowing them to get their foot in the door of the company. They fail to realize that this is all the Jew wants to drive the Christian out of control of his own

employment Opportunity Commission in Washington for permission to testify against the many Jewish companies who are DISCRIMINATING against Christians by failing to hire them in executive positions. This letter is reproduced on this page and was sent by Air Mail, Registered, Return Receipt Requested. Whether or not we are allowed to give the other side, to the one-sided testimony of the ADL, will be published in a later edition of The Thunderbolt.

At least the plans of B'nai B'rith (the wealthiest and most powerful secret fraternity in the world) has revealed to us which businesses the Jews are now conspiring to take over. The Jews are right now out to take over the lucrative Insurance industry, Auto Industry, Shipping companies and others not clearly outlined in their report to the Equal Employment Opportunity Commission.

From the moves of combined Jewish interests in buying heavily into certain stocks, it seems the Jews are after the large Christian advertising agencies and certain other heavy manufacturing industries. Jewish monopoly will be totally abolished when the NSRP Movement takes power in America. White Christians must stop this Jew take-over of American business if we are to regain our standing as a free people. The best avenue toward solving this problem is by subscribing to The Thunderbolt, get others to subscribe and support the nationwide network of the NSRP.

Atty. J. B. Stoner Writes Introduction To New Book "The Negro A Beast"

INTRODUCTION

This book entitled "The Negro A Beast" or "In the Image of God" is a valuable and rare book that was written by the late Professor Charles Carroll. Events that have transpired since the death of Professor Carroll do much to confirm the truths in his book. The conduct of the negro at the present day and time, as in the past, demonstrates that the negro is a beast and not created in the image of God. With a black revolution and a race war already under way in America, The Thunderbolt, Inc. is urged by duty to republish this rare book so that the White people throughout the world may benefit from the knowledge in it.

As was said by the first publisher of this rare book, we also say that we publish it knowing that there will be learned men who will take issue with us. Even so, we are fully convinced that when this book is read and its contents duly weighed and considered in an intelligent and prayerful manner that they will appreciate the Biblical truths in this book. This book is one of the best to support the Genesis account of creation and to demolish the atheistic falsehoods known as evolution.

The Jews are not Christians and never will be because they are not of God. Read St. John 8:47 which says: "He that is of God heareth God's words: ye therefore hear them not, because ye are not of God." The record of history shows that the Jews are not and never have been Christians. History also shows that no non-White nation has ever worshipped our Lord Jesus Christ. Since the negroes were created by God as beasts, and not as men in His image, it is obvious that they were not called by the Lord Jesus Christ. The Bible teaches predestination and the Jews and negroes were never destined to be Christians because they are not God's children. According to Romans, Chapter 8, Verses 29 and 30: "For whom he did foreknow, he also did predestinate to be conformed to the image of the Son, that he might be the firstborn of many brethren. Moreover whom he did predestinate, them he also called: and whom he called, them he also justified: and whom he justified, them he also glorified." The Lord Jesus Christ said, according to St. John 26, 27: "But ye believe not, because ye are not of my sheep, as I said unto you. My sheep hear my voice, and I know them, and they follow me." According to St. John 6:65 our Lord Jesus Christ said: "And he said, Therefore, said I unto you, that no man can come unto me, except it were given unto him of my Father." These verses from the Bible clearly indicate that not all enjoy favor with God. Christianity is the religion of White people. The Jewish religion is Satan's religion. Now that they are no longer under White control, the negroes in America and in Africa are turning to the Mohammedan religion of Islam. Islam is the natural, though false, religion of the negroes. The Holy Bible and Christianity are for the White people and are Lord Jesus Christ commands us to not cast our pearls before swine.

The Jews have a fanatical hatred for the people whom God created in His image, the White people. That is why the Jews are using every means at their command to force intermarriage and interbreeding between White people and black beasts. The Jews are trying to murder all of White mankind by pumping the jungle blood of Africa in the veins of Whites with race mixing. God calls for us to stop them.

The struggle in the world is between God and Satan. All loyal White Christians are part of the forces of God in this world. Satan's forces are composed of his children, the Jews, the black beasts and all of the anti-Christ forces. According to the Gospel According to St. John, Chapter 8, verses 44-48, the Jews are the children of the devil. That explains their Satanic onslaught against the White Christian Race.

We White Christians are God's instruments in this world and we should let Him use us in effecting His will and in pre-

serving White people on the face of the earth.

This revealing book by Professor Charles Carroll should be read by every White Christian so that all Whites will understand the negro problem. At the time that Professor Carroll wrote this book, there was no organized Church in America which preached that, according to the Holy Bible, only Whites are people, only Whites are human beings, and that the negroes are beasts and not any part of the human family. That situation has now changed and there is now a very influential Church in America which teaches the Biblical truth that the negro is a beast and not a human. That is the Church of Jesus Christ, Christian with headquarters at Lancaster, California. That church is headed by Dr. Wesley A. Swift, America's foremost scholar on the Holy Bible. Dr. Swift's taped sermons are played on tape recorders in homes throughout America. If Professor Carroll were still alive today, he would be happy to know that the Christian doctrines in this book are now being revealed to the people by an established and influential church.

Dr. Wesley A. Swift and the Church of Jesus Christ, Christian teach that the White Christian peoples of the world are true Israelites and the heirs of all of the promised blessings of God. They teach that the Jews are imposters and are not and never have been Israelites - never have the Jews been the people of the Bible.

If enough people read this book by Professor Carroll, the result will be for all White countries to expel all negroes and all other non-Whites, thereby insuring the survival of the White people in America and other White countries. The reading of this book by enough Whites will have the effect of nullifying all laws that have been passed against White people. The knowledge in Professor Carroll's book is needed by every living White person. I call upon you to read it and pass it on to others to read.

DOES LIKE BEGET LIKE?

Could that negro child be the child of pure Adamic parents? If the negro is an offspring of Adam and Eve, then it is possible.

Anti-German Movie On T.V.

One of the most vicious anti-German films the Jew, Stanley Kramer, ever produced was "Ship of Fools" which was played on the Jewish owned CBS-TV on Jan. 28. It starred Jose Ferrer, who over and over again attacked and insulted the German people. In one part a German band began to play and an actress said: "That's all I want to hear, a little German music goes a long way." Over and over again they lashed out in vicious and hysterical hatred for the German people.

The Jews are daily turning out movie and TV films attacking the best ally America has left. If the Jews are allowed to do this, why can't we Right wing patriots produce Anti-Jewish movies and TV stories. Of course, this is forbidden and the Jews could stop any theatre from showing such a film, as they did with the movie "Jew Sues" and the film "Oliver Twist." The self-appointed 'chosen people' can slander and libel our people but are outraged when we attempt to answer back. As far as freedom of speech is concerned, it is only supposed to apply to them -- not to you.

Toward A Greater Thunderbolt

Increased circulation of The Thunderbolt is the chief method we know of to awaken hundreds of thousands of new people. Your editors know that it is vital for us to do everything within our power to provide you with the hardest hitting, fact packed newspaper in America.

For these reasons a number of improvements are being made in The Thunderbolt which may not at first even be noticeable. Many busy people like to "scan-read" the important news of the day. We, therefore, will begin a regular "NEWS FLASHES" column with many short items of interest with no editorial comment. The ever-popular letters to the editor column is being expanded with only the most important parts of the letters in print - this will give us the room for additional letters. The important editorials will be in double column for more emphasis, and make our editorial views stand out to the new reader. This along with the use of more pictures should make it easier for you to encourage your friends and neighbors to subscribe to "AMERICA'S FOREMOST NEWSPAPER NAMING THE REAL ENEMY".

FAMOUS QUOTATIONS

THEODORE G. BILBO

"If our buildings, our highways, our railroads should be wrecked, we could rebuild them. If our cities should be destroyed, out of the very ruins we could erect newer and greater ones. Even if our armed might should be crushed, we could rear sons who would redeem our power. But if the blood of our white race should become corrupted and mingled with the blood of Africa, then the present greatness of the United States of America would be destroyed and all hope for the future would be forever gone. The maintenance of American civilization would be as impossible for a negroid America as would be redemption and restoration of the white man's blood which had been mixed with that of the negro."

(BELOW CUTS FROM BOOK)

CHRIST—THE SON OF GOD.
Man was created in the image of God.
Is the negro in the image of God's son—Christ?

THE BEAST AND THE VIRGIN.

parents, you would rather see your daughter
burned, and her ashes scattered to the winds of
heaven.

Your children are "bone of your bone" and "flesh
of your flesh"

Proves Evolution Theory false.
Proves Negro is "Beast of the Field"
and never created in Image of God.
Answers false teaching of preachers, tea-
chers and politicians.

THE MOST IMPORTANT BOOK OF THE CENTURY

The Reasoner of the Age, the Revelator of the Century!

The Bible as it is!

The Negro and His Relation to the Human Family!

The Negro a beast, but created with articulate speech,
and hands, that he may be of service to
his master—the White man.

The Negro not the Son of Ham,

Neither can it be proven by the Bible, and the argu-
ment of the theologian who would claim such,
melts to mist before the thunderous and
convincing arguments of this
masterful book.

Professor Charles Carroll

Who has spent fifteen years of his life, and \$20,000.00
in its compilation.
